Building A Healthy Family

Worship Series May 11-June 15

Healthy families occur when everyone understands their role biblically within the family. God created the family and gave specific instructions to every member. Join us as we discover together what the Bible says to Moms, Dads, Wives, Husbands, and children concerning their responsibility in helping to create a healthy family.

A Word From Our Pastor

GOD IS DOING A WORK! In the last week and a half I have had the privilege to speak with two boys in our church family concerning salvation. God is doing something special in the lives of our children even during this period without a full time Minister. I am writing this article on Wednesday because of Memorial Day. By the time you receive this newsletter these boys may have made their decision public to *follow Christ*. Let's rejoice together with them and their families. I will share more about them next week.

ONEIDA BAPTIST INSTITUTE AND FATHER'S DAY! The Oneida Baptist Institute offering has become synonymous with Father's Day. I want to encourage you to give to this offering through our **First On Missions Offering**. As you recall it is one of the offerings, which make up our total global First On Missions. For more information on Oneida go to their website www.oneidaschool.org.

UNION UNIVERSITY IS STILL IN NEED! We had initially designated the month of May for receiving any offerings for Union University. As you know the campus was badly damaged by tornadoes earlier this year. I have not done a very good job of keeping this before you and we have decided to extend the opportunity to give through the month of June. Pray about your participation and simply write on your envelope UNION UNIVERSITY.

FULLY DEVOTED FOLLOWERS OF CHRIST! I have not put this on the back burner. I have been meeting with a leadership group and we are developing a strategy that will allow us to move through a process of becoming FDFC.

100 ESSENTIAL THINGS EVERYONE SHOULD FOLLOW! A Seminary professor of mine put this list together (some are his and others he borrowed). I thought you would enjoy a few from time to time. They are beneficial, thought provoking, and fun.

1. Spell and pronounce names correctly.
2. Return your phone calls and emails promptly.
3. Choose your battles carefully – "a cat can whip a skunk, but it's not worth it."
4. Never think you are infallible (you can tell this was especially for preachers).

VACATION BIBLE SCHOOL! One of the most important ministries in our church happens during the summer months. If you can help, not only will you minister to children but you will receive a blessing as well. The dates are **June 23-June 27**. It promises to be a blast! Make VBS a daily part of your prayer time.

CHILDREN'S/PRESCHOOL SEARCH! Keep praying. The search committee consists of **Charlotte Burton** (chairperson), **Sharon Johnson, Liz Floyd, Luanne Robbins, Jeff Willis, Richard Burgan, and Steve Clark**.

I LOVE YOU!
Paul

WORLD CHANGERS Project Owensboro

World Changers is a mission project of the North American Mission Board. It is a youth mission project where high students paint, re-roof and perform other light construction jobs on homes in the area. Between 150 and 200 youth from Alabama, Georgia, Mississippi, Illinois, Arkansas, and Kentucky will be in Owensboro during the week of June 7-11. We will be one of fifteen local churches partnering with World Changers to provide for a group of 10 to 15 young people. They will be housed at College View Middle School. Our responsibilities include hosting them for Worship and lunch on Sunday, June 7 and lunch and snacks daily at their work site. We will need everyone's help.

Here are some ways you can help:

- Donate money for snacks and lunch;
- Volunteer in your Sunday School Class; and
- Pray for the project, participants and families touched by the World Changers Project.
