Building A Healthy Family

Worship Series May 11-June 15

Healthy families occur when everyone understands their role biblically within the family. God created the family and gave specific instructions to every member. Join us as we discover together what the Bible says to Moms, Dads, Wives, Husbands, and children concerning their responsibility in helping to create a healthy family.

WELCOME TO THE FAMILY OF GOD AND OUR CHURCH FAMILY! We are excited to share with you the decisions of Samuel Johnson, Blake Creekmur, and Major Carlberg. All of these young boys have made their personal decision to follow Jesus Christ by faith public. We rejoice with them and their families and ask that you intercede on their behalf as they begin the Christian life. We will be baptizing them soon. Praise the Lord!

ONEIDA BAPTIST INSTITUTE AND FATHER'S DAY! The Oneida Baptist Institute offering has become synonymous with Father's Day. I want to encourage you to give to this offering through our First On Missions Offering. As you recall it is one of the offerings which make up our total global First On Missions. For more information on Oneida go to their website www.oneidaschool.org.

WORLD CHANGERS ARE COMING! We will be assisting about 15 students as they come to Owensboro to minister through World Changers. We need more help in taking meals to them. They will be here June 7-11. You can contact Mary Martha Reynolds to volunteer.

UNION UNIVERSITY IS STILL IN NEED! We shared a short video this past Sunday on the damage done by the storms. We are still receiving monies to go directly to the University through the month of June.

SUNDAY SCHOOL! One of the most important ways for new people to become acquainted with our family at First Baptist is through a Sunday School class. Invite someone this week to Bible study. Who will you contact this week? There is always room for one more.

SUMMER SUNDAY NIGHTS FOR CHILDREN! For eight weeks during the summer there will be planned activities for pre-school through 5th grade. The dates are June 8-July 27. For more information contact Suzie Horner (315-7030) or Sharon Johnson (684-8746).

WELCOME WES! Wes began his ministry with us on Sunday. We are excited to have him on board. I know Wes and Julie would appreciate your prayers. He will be in the office on Monday and you can contact him by phone or his email at wdunn@fbcowb.org. If you haven't had a chance to speak with him, give him a word of encouragement this week. Welcome aboard Wes!

VACATION BIBLE SCHOOL! One of the most important ministries in our church happens during the summer. If you can help not only will you minister to children but you will receive a blessing as well. The dates are June 23-June 27 (ages 4-5th grade). It promises to be a blast! Make VBS a daily part of your prayer time.

CHILDREN'S/PRESCHOOL SEARCH! Keep praying. The search committee consists of Charlotte Burton (chairperson), Sharon Johnson, Liz Floyd, Luanne Robbins, Jeff Willis, Richard Burgan, and Steve Clark.

MEXICO MISSION TRIP! Matt and the student ministry have been preparing for their Mexico mission during the month of June. Let's pray daily for them as they prepare to go on mission for God.

I LOVE YOU! *Paul*

Project Owensboro

World Changers is a mission project of the *North American Mission Board*. It is a youth mission project where high students paint, re-roof and perform other light construction jobs on homes in the area. Between 150 and 200 youth from Alabama, Georgia, Mississippi, Illinois, Arkansas, and Kentucky will be in Owensboro during the week of June 7-11. We will be one of fifteen local churches partnering with World Changers to provide for a group of 10 to 15 young people. They will be housed at College View Middle School. Our responsibilities include hosting them for Worship and lunch on Sunday, June 7 and lunch and snacks daily at their work site. We will need everyone's help.

Here are some ways you can help:

- Donate money for snacks and lunch;
- Volunteer in your Sunday School Class; and
- Pray for the project, participants and families touched by the World Changers Project.

For more information see Lee Inklebarger
