I think sports and the gospel are a perfect match for me and the universal church. It is one of the easiest ways to share the gospel with individuals because it allows those involved to create and invest in relationships with the community and church members.

I have a beautiful wife, Brittini. We have been married since 2013. She is from Germantown, Tennessee and a graduate of UT Martin. She is an amazing mother to our beautiful little girls, Evie and Ellie.

I am a big fan of Needtobreathe, the Nashville Predators, food / ice cream, and the Oklahoma Thunder. My favorite verse is Philippians 4:6-7, and I think the book of Judges should be made into a movie.
